2

## The Opportunity

- ✔ Low investment, fast start
- ✔ High demand from wig clients
- ✔ No technical work required at your location
- ✔ You earn 30% commission on every order

## Services

- **Temporary Concealing**  
Durable up to 50 washes
- **Permanent Concealing**  
Long-lasting professional finish

3

## What We Do

We provide professional lace wig system concealment that makes knots, grids, and holes blend naturally with the scalp tone. This improves realism, confidence, and overall wig value for the client.

## What We Do

- ✔ Lace wig wearers who want an invisible hairline
- ✔ Clients with visible knots or grid patterns on wig
- ✔ Wig and toupee users (select locations)
- ✔ Clients with alopecia or medical hair loss who need a natural finish their wig

## Service Options

### Temporary Concealing

#### Best For

Clients who want a durable, non-permanent result.

#### Key Benefit

Lasts up to 50 careful washes when cared for properly.

4

## Service Options

### Permanent Concealing

#### Best For

Clients who want a long-term, professional finish.

#### Key Benefit

Long-lasting, high realism, premium value.

### Quality Promise

We use consistent shade matching and a controlled process in our high tech advanced facility to deliver clean, natural-looking results. Franchise partners only handle consultation, payment, and collection - we handle the technical work and quality control.

5

## Franchise Model (Collection & Demo Partner)

**Customer Inquiry:** Client contacts you via phone, website, or social media.

**Appointment & Demo:** You show demo wigs (temporary and permanent finish) so the client knows exactly what to expect.

**Shade & Service Selection:** Confirm the service type and scalp shade (we provide shade support tools).

**Payment & Receipt:** Collect payment (cash or online) and provide an official receipt.

**Wig Collection:** Receive the wig/unit safely and record the order details.

**Company Pickup:** We pick up the wig, perform the service, and return it to your location.

**Customer Pickup:** Client picks up the finished wig from you; you provide care instructions.

### What You Provide

- Customers visit you by appointment
- You show demo wigs (temporary & permanent results)
- Customer places order & makes payment
- You collect the wig and inform us

6

- We pick up, professionally fix & return the wig
